China Association of Chinese Medicine Announcement for Standards

标准〔2026〕11号

No.11 2026

中华中医药学会批准《中医皮内针技术临床应用操作规范》
(T/CACM 1679-2026) 发布，现予公告。

The T/CACM standard (T/CACM 1679-2026) for “Operational specifications for clinical application of intradermal needle technique in traditional Chinese medicine” was approved by the China Association of Chinese Medicine, and now it is effective.
